## **Family Dedication**

The first step on the legacy pathway is Family Dedication. This is a seminar and a ceremony that normally occurs for parents who have children between birth and one year of age. Parents, through a two hour required seminar, learn how to become primary faith trainers for their children and accept the responsibility. Resources and learning opportunities are provided for the new parents desiring to dedicate their child to the Lord. During the ceremony, the church body commits to partner with the parents in the faith development of the child for the duration of the journey.

## SPIRITUAL MILESTONES Walk the Path ...

According to a recent survey by George Barna, most parents believe that it is their responsibility to install spiritual truth in the life of their children. Deuteronomy 6, Psalm 78, and Ephesians 6:4 compel parents to take the spiritual training of their children very seriously.

As parents, our best effort at spiritual training is often bringing our kids to church. This is only a small part of the solution. We believe it is our job to equip parents to effectively train our children in the Christian faith as they do the common things of life. Faith is far more important than just two hours on Sunday. How does a parent take on the responsibility of "primary faith trainer" in the life of their growing child?

First, the parent grows in their own understanding of the Bible and relationship with Christ.

Second, parents learn how to effectively practice age-appropriate family devotions in their own home.

Finally, parents learn to equip their children for the natural, spiritual milestones of life.

### Our spiritual formation process begins in infancy and continues through adulthood, designed around seven **Spiritual Milestones.**

Get started walking the Spiritual Milestones and join us in building a legacy of faith into the

## **Resource Detail**

## **Step 5** | **Bible Presentation**

#### (2nd grade) The Bible Presentation Service is for families with 2nd-grade students and is an opportunity to present their student with a Bible and commit to learning and reading the Bible together.

The Bible Presentation Parent Class, a key part of the Northview Family Framework, is designed to provide tools parents need to teach the important spiritual discipline of reading and understanding God's Word to their kids. All families who choose to participate in the Bible Presentation Service must first attend the Parent Class. In this class, we will discuss how the Bible came to be, how it is laid out, and how you can best help your child read and understand the Bible.

Bible Presentation Parent Class | Dates and Times vary by Campus

Bible Presentation | September 30 and October 1, 2023 | Held during each Campus Service Time

The Bible Presentation online class can be taken at any time and is always available for parents when they are ready to teach their child the important spiritual discipline of reading and understanding God's Word. Prior to watching the video, you will want to download the Bible Presentation Parent and Child Guides. This class is a prerequisite for participating in the Bible Presentation service. Please be sure to register for that event so we are prepared for your family's attendance.
